

Bosnia and Herzegovina: NIC framework

BIH NIPAC Office

Podgorica, 10.11.2015

State of play

- Frustrating process: lack of nat. strategies
- NIC established (May 2015)
- SPP: transport pipeline by Dec. 2015
- Other pipelines : 2016 (nat. strategies)

TA needs: national

BiH has no specific technical assistance for NIC FW.

- Area of needed support:
 - Capacity building to nat. stakeholders
 - Pipeline(s)
 - GAP assessment (for implementation)
 - IT (software design)

Connectivity pipeline: CONNECTA ?

- IDENTIFICATION: How to address development of regional Connectivity pipeline ?
- PREPARATION: How to prepare the priority projects in cooperation with other country to meet maturity?
- IMPLEMENTATION: how to coordinate and run construction accross involved countries to ensure project completion?
