

WBIF bilateral donor investment grant contributions to date

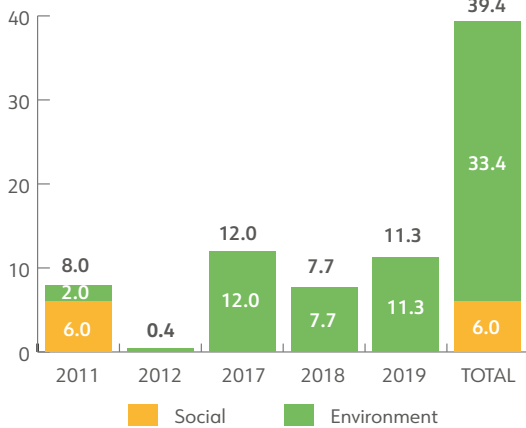

The bilateral donors have contributed to **fourteen investment grants in excess of €39.4 million** for the co-financing of **twelve projects of €291.4 million** in the environment and social sectors.

These grants have helped fund **infrastructure projects with a high impact on people's lives**, from **healthcare and education facilities** to public infrastructure for **clean water and sanitation services**. Through these investments, the funding made available by the WBIF actively promotes social cohesion and protects the environment across the region.

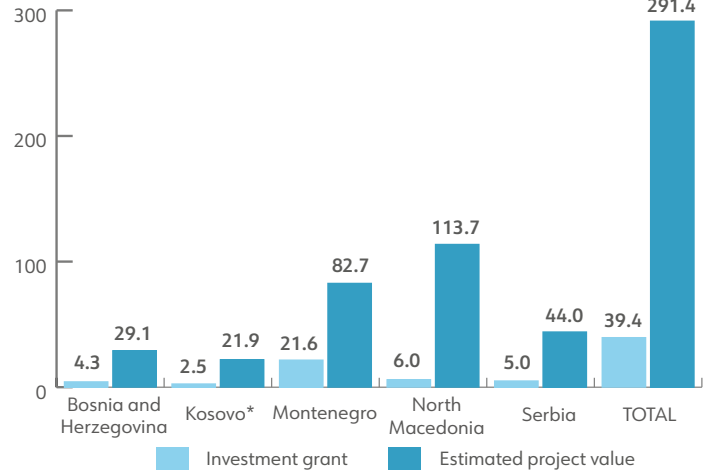

Investment projects co-financed to date

Investment grants by sector and year of approval (€m)

Investment grants and estimated project value per beneficiary (€m)

Expected results

Bosnia and Herzegovina	Kosovo	Montenegro
Clean water for 14,200 households.	Wastewater treatment plant and improved sanitation services for 110,000 people.	Clean water for 12,300 households.
8 new small wastewater treatment plants for 11,000 people.	Reduced negative impact on the environment and public health.	2 wastewater treatment plants for 208,400 people.
