

Berlin Summit 2021: Western Balkans Strengthen Regional Cooperation and Foster Closer Ties with the EU

On 5 July, President of the Commission, **Ursula von der Leyen**, and Commissioner for Neighbourhood and Enlargement, **Olivér Várhelyi**, participated in the Western Balkans Summit in the context of the so-called “Berlin Process”. The summit brought together for the eighth time Heads of State or Government from the Western Balkans and their counterparts from nine EU Member States, high-level EU representatives and the United Kingdom, to advance on their regional cooperation and European integration agenda. The virtual meeting was hosted by the German Chancellor **Angela Merkel**.
